ahwportfolio.com

Objective:

Motivated and creative Graphic Design professional with a Bachelor of Arts in Visual Communications and over 10 years of expertise in graphic design, web design, and production art. Adept at multi-page document design, typography, image editing, and project management. Eager to contribute my advanced graphic design and project management skills to a Production Artist role.

Skills:

- Expert in Publication and Layout Design, Typography, Branding, Image Editing.
 - Highly technically proficient with Adobe CS, Microsoft Office, AcrobatPro., and Mac OS.
 - Exceptional time management, problem-solving, and collaboration skills.
 - Excellent communication, adaptability, and organization skills.
-

Professional Experience:

Remote Freelance Graphic Designer/Web Designer | 2017 to Present

Successfully collaborate with clients to develop concepts, manage, and coordinate print and web design projects from concept through completion, meeting all deadlines and budgetary requirements.

- *Client Villanova Preparatory High School, from 2017 - present:* Continually design printed marketing materials within brand standards, including view-books, prospectus, course brochures, and signage.
- *Client Wedgewood Weddings, from 2017 - 2021:* Designed printed marketing materials within brand standards, including wedding guides, price guides, posters, flyers, business cards, menus, and trade show signage.
- *Client Athena Communications, from 2019 - 2021:* Collaborated with Creative Director on various print projects, designing corporate identity, brochures, event posters, menus, rack cards, mailers, catalogs, and websites.
- *Client: Vettec, Inc., from 2013 to 2015:* Updated and maintained company website, programming various HTML email campaigns.

Senior Graphic Designer/Web Designer | Fausset Printing, 2015 to 2017

- Successfully managed and designed graphic and website projects from concept to completion, overseeing artwork creation, printing, and web launches.
- Developed new and existing marketing projects, including branding strategies, printed marketing materials, and website design and development.
- Achieved and surpassed sales goals through innovative marketing initiatives.
- Diligently collaborated with clients to develop and maintain WordPress websites, ensuring seamless functionality and user experience.

Graphic Designer/Web Designer | DUX Sales, Inc., 2007 to 2013

- Conceptualized and designed artwork for major projects, including national ads, brochures, booklets, sales sheets, stationery, business cards, product packaging, multi-page catalogs, product photography, and trade show booth designs.
 - Developed and maintained company websites for numerous organizations.
 - Created and managed all web banner ads, HTML email campaigns, and social media visuals for clients.
 - Crafted digital illustrations of products for use in product instructional inserts.
-

Education:

Bachelor of Arts in Visual Communications | Westwood College Anaheim, 2006
